

**PART 1: Teach & Learn**

**DATE: 07-16-2023**

## START

Summer is the perfect time to create memories. From vacations, to concerts, to spontaneous trips. There is something about the summer season that just creates memories.

- What is one of your favorite memories?
- What has the memory taught you about life?

## READ

[2 Timothy 2:2](#) (NIV)

“And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.”

## THINK

The people that God places in our lives can help us continue to grow and develop in our faith. This spiritual journey with people is a beautiful design created by God for us to live in community with others. While it can be difficult at times, the blessings far outweigh the hardships.

- Who has mentored you in your life?
- What is a lesson that you have learned from a mentor that has helped shape your spiritual journey?
- Who are you helping grow on their spiritual journey?

## PRAY

“God, continue to put people in my life that I can learn from and people in my life that I can continue to help teach.”

## ACT

This week, if you don't have a mentor and/or mentee, reach out to someone that you could take that journey with. If you do, take some time to spend with them as you continue on your faith journey together.
