PART 4: I'm Not Enough, But He Is

DATE: 06-23-2024

START

There is always something in our lives that we are insecure about. We don't feel like we are smart enough, talented enough, or pretty enough. The list can go on and on. And the truth is, we are not enough, but Jesus is.

- What insecurity are you fighting?
- When has Jesus been enough for you?

READ

[Judges 6:12](#)

"When the angel of the LORD appeared to Gideon, he said, 'The LORD is with you, mighty warrior.'"

THINK

There is freedom in knowing that we are not enough, but Jesus is. It allows us not to rely on our strength, intelligence, and creativity. It allows us not to have to shoulder all the responsibility ourselves. It allows us to trust God when we know we are not enough. Relying on God allows us to be enough.

- Why do you automatically assume we are a failure when we fail?
- How are you allowing your past to define you?
- How can you allow God to refine you?

PRAY

Jesus, help me to realize because of you I am enough. I am enough because of your strength, love, and mercy. Refine me into who you want me to be.

ACT

This week, take some time to face down your insecurities and hand them over to God and rest in His strength.
