

PART 3: Play Ball

DATE: 07-30-2023

START

We can all look back and think of the lessons that we have learned from belonging to a team. Whether it's something we learned to do differently or lessons that's shaped our lives moving forward.

- What is something that you learned from being a part of a team?
- How does being a part of a team help us collaborate with others?

READ

[Roman 12:4-5](#) (NIV)

“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.”

THINK

Know your role, accept your role, and you will be better at your role. God has given us all gifts to and talents to encourage one another and work together to tell more people about Jesus.

- What role has God given you in His kingdom?
- How does knowing your role help you get better at your role?
- What are you going to do about what God has called you to?

PRAY

“God, help me to know my role in your kingdom. Help me contribute to your mission and point other towards you.”

ACT

This week, define your role in God's kingdom and take a step to use your role to serve God's church.
