

## PART 5: Road Trip

DATE: 08-13-2023

### START

Regardless if your road trip is across town to a friend's house or across the country to some new destination you haven't experienced; there is something about a road trip that is good for the soul.

- What has been one of your favorite road trips?
- What are some road trip traditions that you have?
- What are the most common conflicts you have on a road trip?

### READ

[Matthew 18:3](#) (NIV)

“And he said: “Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.”

### THINK

Jesus' disciples argued about who was the greatest amongst them. Jesus told them it's not about being great, but the posture in which you serve others. How we serve points others to who we serve. It's not about recognition or using our power, but about how we point others to Jesus.

- What do you pursue so others think you're great?
- How has your pursuit of greatness isolated others from you?
- What would it look like if our church community decided to serve over appearing great?

### PRAY

“God, help me not to pursue greatness so that I may inflate my ego. Help me to pursue you so that I may love as you love.”

### ACT

This week, come face to face with the greatness you are pursuing and take some steps to set it aside and pursue God.
