

**PART 2: Grace**

**DATE: 11-06-2022**

### START

We all have a certain list of sins in our lives. There is always the big ones; murder, lying, adultery, etc. But there are also ones we don't always think about or that we have added to our own lists.

- How would you define sin?
- How does sin separate us from God?
- How does God offer forgiveness for our sins?

### READ

[Romans 6:6-7](#) (NIV)

“For we know that our old self was crucified with him so that the body ruled by sin might be done away with, that we should no longer be slaves to sin— because anyone who has died has been set free from sin.”

### THINK

We all have sins in our life. Whether we have struggled with them in the past or are continually struggling with them currently. The good news is that Jesus died for us while we were still sinners. It doesn't depend on us to fix ourselves up, but we are accepted because of Jesus' gift of grace.

- What are the sins you struggle with?
- How does God's grace cover us and continue to shape us into His image?
- How does thinking about God's grace cultivate gratitude in our lives?

In his message, Casey said, “gratitude shifts our eyes off of ourselves and moves us to live for Him.”

- How has gratitude shifted your eyes off yourself?
- How does grace and gratitude connect?
- How can we continually submit to God and be aware of his grace that He gives us?

### PRAY

“God, thank you for saving a sinner like me. Let the grace I receive from you cultivate gratitude in my life.”

### ACT

This week, reflect on the grace that God has given you. Let it shape a heart of gratitude in your life.
