- S.T.E.P. Guide → Did you have a chance to grab a S.T.E.P. Guide at a TCC Campus? If not, you can download one [here](#).
- Timothy had his mother (Eunice), his grandmother (Lois), and Paul, who spiritually helped shape his faith foundation. Who have you had in your life?
- Jesus spiritually poured himself into the 12. Paul spiritually poured himself into Timothy. Who are you pouring yourself into? Do you feel like you don't know enough? Remember, your spiritual foundation will grow when you walk with someone else on their spiritual journey.
- Take a moment and read [Philippians 2:22](#). How are you serving in the work of the Gospel?
- Paul writes an insightful description of Epaphroditus. Read through Paul's description again → [Philippians 2:25](#). Who do you have in your life like this?

PRAY

In your prayer time, focus on **who** you need to be pouring into you and **who** you need to pour into. Ask God to surface a name or two. Lean in and listen to **who** he is pointing you to.
