

## PART 3: Live With Purpose

Every day is filled with opportunities to share the purpose that drives your life with others.

### DISCUSS

- What did you want to be when you grew up?
- Think about everything that **happened** to Paul in his Journey from Jerusalem to Rome. How do you think Paul's faith foundation was challenged? What takeaways from his journey can you apply to your life?
- Chris shared in the message that the "Chains that locked up Paul liberated others." How have you seen the same thing take place in your life?
- [Philippians 1:21](#) → Paul writes a foundational insight that will help your faith to grow. "For to me, to **live** is **Christ** and to **die** is **gain**." What does "to live is Christ" look like?
- Live with Purpose! What is in your hands right now that you can leverage to make an eternal impact? How can you actively join God in what He is doing?

### PRAY

Focus your prayer on seeking God's guidance as you commit to live with purpose.
