

## PART 1: Commit To Thrive

Every year, countless decisions are made that impact and guide the direction and condition of our lives. Commit now not just to survive but to thrive.

### DISCUSS

- 2025 is here! What are you excited about as you start this new year?
- Life can wreak havoc on your faith foundation. Looking back at 2024, what attacked your faith foundation? What can you learn from it so that you don't just survive but thrive in 2025?
- There is one thing in 2025 that you need to START/STOP. What is it? Share it. Write it down. Commit to it. (And remember, lack of time is not the issue. How you leverage your time is everything.)
- [Philippians 2:5](#) → Paul encourages us to have the same mindset (think) as Jesus. How do your thoughts reflect Jesus? What thoughts do you need to get rid of? What makes this so challenging?
- [Philippians 2:6-11](#) → Read through this incredible hymn that Paul intentionally scripted. What is God **saying** to you? What is God **telling** you to do?
- Do you want to Thrive in 2025? In this moment, **Commit to Thrive**, no matter what life throws at you this year!

### PRAY

Leverage **Philippians 2:6-11** as your prayer. Listen to what God has to say to you. Lean into His Voice. Commit to allowing God to shape and strengthen your faith foundation.
